INFORMATION SECURITY POLICY

SEOYON E-HWA Summit is dedicated to upholding the confidentiality, integrity, and availability of its information assets, ensuring the protection of all stakeholders' information:

- We prioritize safeguarding valuable or sensitive information, maintaining its confidentiality and integrity to prevent any unauthorized disclosure.
- We are committed to developing, maintaining, and continually improving the effectiveness of our Information Security Management System (ISMS) to address evolving threats and challenges.
- A robust risk management framework with comprehensive incident management processes, to promptly address any security incidents.
- Compliance with all applicable legal and statutory requirements related to information security is paramount.
- Prioritizing the continuity of our business operations, safeguarding the interests of our customers and stakeholders.
- Fostering a culture of awareness on information security among all employees, business users, and contractors, promoting responsible practices and behaviors.
- By adhering to these principles, we reaffirm our dedication to maintaining the highest standards of information security within our organization.
